

Sodium Hypochlorite  
Solution

## Concentrated Sanitizer & Disinfectant

AquaOx Sanitizer Disinfectant is an effective multi-purpose cleaning solution. When disinfecting directions are followed, it is all-purpose disinfectant solution for hard, non-porous surfaces, an all-purpose sanitizing solution for food contact surfaces and a quality source of chlorine for water-treatment.

## POWERFUL, SAFE & NATURAL

This mixed oxidant solution contains equally HOCL and NaOCL. Used as directed, it kills bacteria, fungi, molds, viruses and spores.

- Safe for any surface
- Removes and prevents biofilm
- Organic and 100% biodegradable
- Cuts through grease & fats
- Odorless and non-allergenic
- NON-TOXIC & CHEMICAL FREE
- Laboratory tested
- Effective against all bacteria.

1 gallon/128 oz. (6.5"x6.5"x6.5, 9 lbs.)

4 gallon per case (13"x13"x13", 38 lbs.)
